

## How do I enroll in ELANT CHOICE?

If you or someone you know is interested in becoming a member of ELANT CHOICE, **There are only three easy steps to follow:**

Call us at 877-ALL-FOR-U (877-255-3678). An ELANT CHOICE representative will answer any questions you have and discuss program eligibility. Our representatives are available Monday-Friday, 8:00 am – 5:00 pm. Phone messages will be promptly returned during these hours.

**1**

An ELANT CHOICE nurse will visit you in your home to assess your needs, discuss the program, provide additional written materials and help you through each step of the enrollment process.

**2**

If you are eligible to enroll, your application will be sent to the local Department of Social Services for approval. In most cases, your membership will become effective on the first day of the month after your application has been approved.

## Your ELANT CHOICE Care Team Visits You in Your Home

Once you enroll in ELANT CHOICE, you will have your own Care Manager – a registered nurse – who will visit you in your home and develop a personalized plan of care, just for you. Your Care Manager and our ELANT CHOICE Care Team of health professionals will coordinate the services you need to manage your care and help you live safely at home.

## Keep Your Own Doctors!

We understand that keeping your own doctors is important to you. As an ELANT CHOICE member, you can continue to use your own doctors. If you don't have a doctor, we can help you find one in your local community.

## Your Life • Your Health • Your Home

### *Our Mission!*

We understand how important staying in your home is to you. For more than 12 years, ELANT CHOICE, a Medicaid Managed Long-Term Care Plan, has been caring for members of our communities in their homes.

The ELANT CHOICE Medicaid Managed Long-Term Care Plan makes arrangements for a broad selection of covered health and long-term care services through the utilization of our network of trusted health care providers. It is our mission to help you get the care you need so you can live an independent, healthy lifestyle at home.

Enrolling in ELANT CHOICE will not change your Medicaid or Medicare coverage for doctor visits, hospitalizations, emergency room care and prescription drug coverage.

## A Regional Health Care Leader

ELANT CHOICE is a part of the Elant health care network. Elant, a not-for-profit organization, has been a leading provider of health care and housing services in the Hudson Valley for more than 25 years. Elant provides a broad spectrum of services with an emphasis on personalized service and compassionate care.
